Dance Costumes

Dance costumes and tights have been ordered!

We do our best to order the sizes to fit your dancer...sometimes they don't fit perfectly, but no worries!

We have the ability to exchange or alter costumes if needed.

Costumes are being shipped anytime between now and April...please remember, these costumes are made to order. It takes time, some more than others, but we PROMISE you, your dancer will have a costume in plenty of time for Competition, Picture Week and Recitals!

We will be trying costumes on the students throughout the next few months during classes. The students will go home with their costume when we have confirmation that all costumes fit all the students in that class.

They will also be receiving their dance tights, if they are needed for that costume.

Competition Season!

Competition season is here! Our March rehearsals are the 2nd and 16th. All of this information has been emailed to you, please read through the information thoroughly.

If you need help or have questions, PLEASE ask!

It is better to ask a question than not know.

Picture Week

Each year we have the Zerbe Photography Company come and take pictures of our classes in their dance costumes!

We do this as a courtesy for all of our dancers, so they can be displayed on the walls of our lobby.

Parents/families have the option of purchasing additional photos/packages!

This is done on Tuesday–Friday of May 7–10 in lieu of classes. There will be no classes on Monday May 6th.

We have a blast with the kiddos! Their teachers get to take them into the photography room to figure out poses, work on their smiles, and then they get to shine in front of the camera!

We do our best to make this a smooth and stress free process.

You will be sent a separate email regarding the picture week schedules so you can plan accordingly.

Picture package information will be sent to you in April.
