

Dear Dance Families,

As we prepare for our upcoming season, we want to share an important update regarding tuition and fees.

Due to the continued rise in operating costs- including rent, utilities, and staff wages- we will be implementing a tuition adjustment for the upcoming season. This change allows us to continue providing high-quality instruction and a positive experience for all of our dancers.

We also want to reassure you that we remain committed to keeping our pricing competitive with other studios in our area, while maintaining the level of excellence you expect from us.

This change will take effect in the 2026-2027 Dance Season.

Fundraisers

Each year, we offer multiple fundraisers to help offset dance expenses. We are currently working on adjusting the timing of these fundraisers to give families the best opportunity to earn the most credit possible.

We understand that any price increase can be an adjustment, and we appreciate your continued support and trust in our studio. Our goal is always to provide the best possible training, environment, and opportunities for your dancers.

Thank you for being part of our dance family!

Warmly,

Culture Shock Performing Arts Center
